Congressional Primaries in the
Over-the-River District

INDICATE A WARM CONTEST

In the Martin's Ferry Convention Which Opens on Tuesday of Next Week and is Likely to be Indefinitely Prolonged—Hollingsworth Said to Have Captured Two Delegates in Belmont—Gill Follows Weems.

The Republican primaries in the counties of the Sixteenth Ohio district (over the river) were held Saturday, to select delegates to the Martin's Ferry convention, which is to be held on Tuesday of next week for the purpose of nominating the party's choice for the seat in the national house of representatives made vacant by the death of Captain Lorenzo Danford.

Although the position of every delegate to the convention cannot be given with absolute certainty before the first ballot is cast, it is said the Hollingsworth people succeeded in bagging two delegates from one of the Belmont-Harrison border precincts in Belmont, thus taking from Mr. Weems the honor of entering the convention with his county's solid delegation. It is added, however, that if Mr. Weems needs the two votes they will be forthcoming.

Up in Jefferson county, Mr. Gill, too, was unable to secure the coveted solid delegation of forty-six votes from his home county, the Erskine-Mansfield opposition getting two. Taking into account the bitterness of the fight that was waged in this county, it is feared Gill will not be able, unlike Mr. Weems, to secure for himself these two votes in the event that only a pair of votes were needed to give him the nomination.

General Hollingsworth will enter the convention with the only solid delegation—that is, if the story that Hollingsworth got two from Belmont is correct—and this will probably add to his strength, as a solid home county delegation always does.

Up in Carroll, the eleventh hour candidacy of ex-Sheriff Butler did not make the stir, nor bag the boasted majority of delegates anticipated, for ex-Representative John H. Fimple is said to have secured nineteen of the twenty-two votes of this county.

The Monroe delegation (without a home candidate) is a factor in the contest, but even if the Gill men's claim that it is solid for him is correct, he is yet second in the race to Weems' first. But the Weems people claim two of the Monroe delegates, and more when they are needed.

From the best information obtainable the first ballot will result something like this:

COUNTIES.	Weems.	Hollingsworth.	Gill.	Fimple.	Scattering.	Votes.
Belmont	50	19	10	10	10	109
Harrison	19	19	10	10	10	68
Carroll	19	19	10	10	10	68
Monroe	19	19	10	10	10	68
Jefferson	19	19	10	10	10	68
Totals	117	76	50	50	50	343

With eighty-five votes necessary for a choice, it will be seen Mr. Weems will have to gain twenty-five, Gill twenty-nine and Hollingsworth fifty-seven. The indications favor a prolonged struggle at Martin's Ferry.

VIEWS OF THE EDITORS.

ST. CLAIRSVILLE, O., Sept. 3.
Weems will have fifty-nine votes from Belmont county, which are expected to stay with him first, last and all the time.

Hollingsworth will have two votes in Belmont county, but these will be in line for Weems when needed.

Weems will lead all other candidates by twenty votes.

Fimple has Nineteen.

Special Dispatch to the Intelligencer.

CARROLLTON, O., Sept. 3.—At yesterday's congressional primaries ex-Representative John H. Fimple is believed to have secured nineteen of the twenty-one votes the county will cast in the Martin's Ferry convention, and the other two went to ex-Sheriff W. F. Butler. Fimple is an ardent supporter of Foraker. Rutan's friends supported Butler, whose showing is disappointing to his friends.

Solid for Hollingsworth.

Special Dispatch to the Intelligencer.

CADIZ, O., Sept. 3.—Harrison county elected a solid delegation for Hollingsworth at the congressional primaries yesterday. There was no opposition.

The Opposition Got two.

Special Dispatch to the Intelligencer.

ST. CINCINNATI, O., Sept. 3.—There was a large vote out at the Republican primaries yesterday in Jefferson county. Of the forty-six votes it is believed Gill has forty-four, and the other two are claimed for the Erskine-Mansfield opposition.

IN BELMONT COUNTY.

Weems can Count on all the Sixty-one Votes of his County.

Although it is said that General Hollingsworth will have two of the sixty-one votes of Belmont county when the balloting in the Martin's Ferry convention begins it is also said Mr. Weems will receive the two Hollingsworth votes whenever he needs them, and it may follow that the entire sixty-one votes of Belmont county will go to the home candidate at the start. The two Hollingsworth delegates came from the Harrison-Belmont border.

In Martin's Ferry the delegation is solidly for Weems. For land appraiser J. B. Montgomery was nominated.

The result of the primaries for the selection of delegates to the congressional convention in Belaire and township did not stir up any excitement, because there were no contests, all the real and imaginary differences having been settled in advance of the time for voting. There was a slight contest for land

appraiser, but only a light vote was polled and W. C. Cochran secured that nomination.

A MARTIN'S FERRY MAN

May be the Democratic Candidate for Congress.

Hon. Lavosier Spence, of Martin's Ferry, is a probable candidate for Congress in the Sixteenth district on the Democratic ticket. Mr. Spence is a hustler and would come as near being elected as any Democrat can in this strongly Republican year. He is a life-long resident of the district, and during that time his Democracy has never been doubted nor questioned. He has given freely of his bounty for the Democratic cause and besides has been liberal and public spirited.

A TRAGIC DEATH

Was that of Mr. Isaac Finhardy who sacrificed her life to save that of her child—Both Limbs Cut off Yesterday afternoon at 3 o'clock in Aetnaville a most tragic death occurred and caused general sorrow in the over-the-river district.

Mrs. Isaac Finhardy was with her little girl at the Koehline crossing, when the little girl ran across the Cleveland & Pittsburgh railroad tracks. The mother, seeing an approaching train, ran forward to save the child. The latter got across in safety, but the mother was run down by the locomotive and both legs cut off below the knee. She was taken to her home, near the scene of the accident, but no human aid was of avail, and she died between 5 and 6 o'clock last evening. The deceased was twenty-nine years of age.

Quarreled Over a Bar Bill.

LORAIN, O., Sept. 3.—Phil Meyers, proprietor of the Franklin hotel bar, was shot and killed last night by Franklin E. Wheeler, representing the Mutual Benefit Life Insurance Company, of New Jersey. The men had a quarrel over a bar bill, which Meyers claimed Wheeler owed.

SURGEON OF PEARY EXPEDITION.

Dr. E. E. Vincent, Now in Charge of the Keeley Institute, Detroit.

Dr. Vincent lately obtained such valuable personal aid from the famous Grape-Nuts food, that he has been kind enough to volunteer the following information:

"In recommending your Grape-Nuts food I speak from personal experience when suffering from a tedious attack of jaundice, which was the result of nervous dyspepsia, brought on by overwork and close confinement. Your preparation was of such infinite value to my own illness that when in charge of one of the largest Keeley Institutes in the United States I introduced the food on the table as a regular article of diet.

"We receive many patients who for days have been unable to retain food in the stomach, and I have the first one to treat who could not retain the food. On the contrary, patients invariably find Grape-Nuts nourishing and palatable."

WANTED IN HARRISON

Is a Man Arrested in Wheeling on Sunday Night.

A deputy United States marshal last night ran down an alleged thief, who is wanted in Harrison county for stealing a diamond ring from the aforesaid deputy marshal's son. The deputy was C. W. Law, who will be remembered as having been in Wheeling during the street car strike. His prisoner was "Kid" Myers, who claims Boston as his home and the prize ring as a profession in which he once shone as a diamond of the first water.

A few days ago, it is said, Myers, walked into a drug store in Salem, Harrison county, and while young Law was otherwise engaged, Myers "copped" the diamond ring Law had laid on his counter after cleaning it. Reaching Grafton, Myers then exchanged his ring for a gold watch and \$10, and in Wheeling he disposed of the watch at the Klondike pawn shop for \$8. Deputy Law took his son's case in hand and suspected Myers of being in Wheeling. Officers Walker and Landmeyer located him in the Second ward last night and at the lock-up Mr. Law identified him. He left with his prisoner for Salem at midnight over the Baltimore & Ohio.

Myers is a Polish Jew and doesn't appear to possess physical prowess sufficient to warrant his claims of pugilistic prominence. He asserts he was once a star lightweight.

FUNERAL OF DR. PENDLETON

Occurred Yesterday at Bethany—A Large Concourse of People.

The funeral of Dr. W. K. Pendleton occurred yesterday morning at Bethany, and he was laid to rest in the Campbell cemetery, where sleeps his distinguished fellow worker for Bethany college and the Christian church, Bishop Alexander Campbell. The exercises, which were of a brief and impressive nature, were held at the Christian church, and were conducted by Rev. Mr. McLain, of Cincinnati, who

is connected with the Christian Standard.

Many old friends came from a distance to witness the last sad rites, a number attending from Wheeling, Warren, O., and Barnesville, O. Dr. Pendleton was actively connected with Bethany college for forty-five years as professor and president. In recent years he lived at Eustis, Fla., but died at the home of his daughter, Miss Campbell Pendleton, at the old Pendleton homestead, in Bethany.
